

**GRAND COMMUNITY GARDENS**  
**2020 REQUIREMENTS FOR SAFE COMMUNITY GARDENING**  
**And COVID 19 Public Health Guidelines**

1. DO NOT come to the garden if you are ill. (See attached Public Health Guidelines)
2. Maintain a distance of 6' or more from other gardeners.
3. Wear masks and gloves upon entering and while in the garden even if you are the only person present. (See attached Public Health Guidelines on proper use of these items)
4. Follow all subsequent modifications to State of Colorado and/or CDC guidelines regarding public contact and safe practices. Gardeners will be notified via email of changes that affect our operations.
5. Wipe down all common surfaces upon entering and exiting the garden - locks, gates, hose bibs and nozzles. Each garden will have a spray bottle of sanitizing solution available. Bring your own rags or paper towels to wipe down all surfaces you touch. You may also bring your own cleaning solution or wipes.
6. Bring your own tools, buckets, and container for garbage and take all items home when you leave. There will be: NO access to community garden sheds; NO community tools, NO common trash.
7. BE PROACTIVE and protect yourself. While we all owe it to our fellow gardeners, do not assume anyone else has followed these requirements. Contact your Garden Site Coordinator if you have any questions.
8. Additional requirements related to specific Grand Community Garden sites:

**FRASER:** No more than 2 people in Hoop House at one time and no more than 8 people working outside. Reservations required via Sign-Up Genius. Sports Complex bathrooms will not be open.

**GRANBY:** The community compost bins are closed. Do not place any materials in the bins.

**HOT SULPHUR SPRINGS:** No additional requirements/restrictions.

I HAVE READ AND UNDERSTAND THE REQUIREMENTS FOR SAFE COMMUNITY GARDENING, INCLUDING ANY SPECIFIC TO MY GARDEN SITE. I AGREE TO ADHERE TO THESE REQUIREMENTS AS A CONDITION OF MY ABILITY TO ACCESS THE GRAND COMMUNITY GARDEN FOR THE 2020 SEASON.
